Steve, in truth we are not allowed to mess with documents; however, it should be okay if I attach this to our hardcopy file.

Thanks,

Jan,

It should be 02 v. 00. But in the grand scheme, ...? Can you do a pen and ink change, or are you not allowed to mess with these files. Or, just attach this memo?

Steve, I was entering your letter, 03-RF-01112, and looked for the Notification Letter referenced (00-RF-02229). After querying our database, I found it under letter 02-RF-02229. Don't know if it matters in the grand scheme of things, but...

Thanks,
